Subject: Conditional Approval of Soil Nail Slope Stabilization, Canyon Fuel Company, LLC,
C/041/0002, Task ID#4584

Dear Mr. May:

The above-referenced amendment is approved conditioned upon receipt of 2 clean copies prepared for incorporation. Please submit these copies by June 12, 2014. Once we receive these copies, final approval will be granted.

Within 30 days of completion, as-builts are requested to be submitted to the Division on actual soil volumes transported and placed in the subsoil pile.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. This modification does not necessitate an update to the Technical Analysis.

If you have any questions, please call me at (801) 538-5325 or James Owen at (801)538-5306.

Sincerely,

Daron Haddock
Coal Program Manager
